Victoria Art Silo Tours

Explore Australia's Largest Outdoor Gallery

"The Art Silo Trail is a collection of decommissioned wheat silos in rural Victoria that have been transformed by international street artists"

Option 1 4 Days - 3 Nights @ \$795 ppts - min 30 passengers

This four day tour travels to Horsham staying 3 nights – we visit the Grampians National Park and also travel along the Art Silo Trail visiting the six painted silos in the Wimmera/Lower Mallee Region @ Rupanyup – Sheep Hills – Brim – Roseberry – Lascelles & Patchewollock. We also have a special visit to the Mighty Murtoa Stick Shed. The Stick Shed is the only remaining emergency grain store built during World War Two. The Stick Shed is the 101st Australian icon included on the National Heritage List.

Option 2 4 Days - 3 Nights @ \$795 ppts - min 30 passengers

This four day tour travels through Central Victoria via Castlemaine and Bendigo to Echuca – Australia's Paddlesteamer Town located on the Murray River. The "sights, sounds and smells" of the Port of Echuca will take you back 100 years when Echuca was Australia's major inland port. The tour includes a Port of Echuca guided tour and a Murray River Cruise aboard one of the original paddlesteamers. We also visit the North East and Central Victoria Painted Silo's @ Tungamah – St James – Goorambat – Devenish – Rochester & Colbinabbin.
