Much of Junee's history relates to the railway and the large wheat terminals. Our highlights include visits to the following:

- **Classic Car Garage Museum** – located next door to the Licorice Factory – see the unique collection of classic Fords, along with many other classic vehicles
- **Lunch in Junee**
- **Junee Roundhouse Railway Museum** – this museum is dedicated to the local railway history in Junee. It is one of just a few surviving, working, railway roundhouses in the Southern Hemisphere. Among the exhibits in the roundhouse museum are several locomotives – steam as well as diesel.
